## EDUCATION

- 2019 – Present      **University of California, Los Angeles, CA**  
GPA: 3.98/4.00  
Bachelor of Science in Human Biology and Society  
Intended Minor in Public Health  
Expected graduation date: 2023
- Relevant coursework: Epidemiology, Health Care Systems and Policy, Introduction to Public Health, Vaccines and Public Health, Mathematics for Life Scientists, Chemistry for Life Scientists I & II, Biotechnology and Society, Cell and Molecular Biology, Structure of Organic Molecules
- 2015 – 2019      **Canyon Crest Academy**  
San Diego, CA

## HONORS AND AWARDS

- 2020      **Richard Carleton Meeker, Jr. Memorial Scholarship**
- 2020      **Dean's List**
- 2019      **UCLA College Honors**
- 2019      **Scholastic Art Awards**  
*Gold Medal (2)*
- National awards ceremony at Carnegie Hall. Artwork exhibited at Parsons School of Design, NY.
- 2019      **National Merit Finalist**
- 2018      **National AP Scholar**
- 2017      **iGEM Giant Jamboree**  
*Best Research Poster*
- Awarded to one of over fifty high school teams for the most clear and engaging research poster. iGEM is an international genetic engineering competition.
- 2017      **California Arts Scholar**

## PROFESSIONAL EXPERIENCE

- 2020 – Present      **Scripps Research Translational Institute, La Jolla, CA**  
*Research Intern*
- Analyze nationwide medical insurance data using R and draft manuscript.
  - Utilized PubMed and RevMan to meta-analyze COVID-19 risk factors and present findings to Scripps faculty and interns.
  - Assisted editor with submission review for the journal *npj Digital Medicine*.

- 2020 – Present      **Undergraduate Science Journal, UCLA**  
*Managing Editor of Layout*
- Oversees layout board staff and coordinates with editors for timely production
- 2019 – 2020      *Layout Editor*
- Print research publication recognized by the Library of Congress; by undergraduates, for undergraduates.
  - Upholds high standard of production and ensures student research is well represented through engaging and effective design.
- 2016 – 2019      **Catalyst Science Magazine, San Diego, CA**  
*Editor in Chief*
- Led 40+ students on editing and layout teams to ensure on-time production of magazine publishing research, editorials, and scientific news.
  - Redeveloped publication to encourage a broader high school audience to get more actively involved in STEM.
  - Awarded Silver Crown (2019), Gold Medal (2019), and Gold Medal with Honors (2018) from Columbia Scholastic Press Association.
- 2018      **Oncofertility Consortium, UCSD School of Medicine, La Jolla, CA**  
*Student Researcher*
- Conducted research review of reproductive science, cancer biology, and assisted reproductive technology research.
  - Final project: “Incidence of Ovarian Hyperstimulation Syndrome in IVF Patients Using Kisspeptin-54 for Ovulation Induction”
  - Presented research poster to UCSD faculty and students and awarded “Most Dedicated Student.”

## EXTRACURRICULAR AND VOLUNTEER EXPERIENCE

- 2020 – Present      **Carmel Valley Against Corona, San Diego, CA**  
*Operations Coordinator and Volunteer*
- Plan, organize, and recruit volunteers and materials for making masks.
  - Donated 800+ handmade masks to local nonprofits serving vulnerable populations such as San Diego Youth Services, ElderHelp.
  - Student-run organization started in response to COVID-19 to provide relief.
- 2020 – Present      **Society and Genetics Undergraduate Journal, UCLA**  
*Writer*
- 2019 – Present      **UCLA Health Care Extenders, Los Angeles, CA**  
*Department Coordinator Assistant (DCA) and Volunteer*
- Shadows and assists nurses and staff with improving patient care in the Intensive Care Unit at Ronald Reagan Medical Center.
  - Adapt services to current pandemic and provide companionship for patients through virtual visits.
  - As a DCA, maintains quality of the 1,000 plus-volunteer program.

- 2019 – 2020      **Universities Allied for Essential Medicines (UAEM), Student Chapter, UCLA**  
*Publicity Staff and Current Events Committee Member*
- Works towards healthcare equity through student advocacy events like health policy news discussions, voter registration drives and national conferences.
  - Collected data for national University Report Card project on top 60 schools' global health effort participation.
- 2018              **Horizons Summer Biology Camp, San Diego, CA**  
*Instructor*
- Fostered scientific curiosity in local elementary and middle schoolers and taught basic research laboratory skills.
  - Organized and fundraised program. Wrote interactive biology curriculum.
- 2013 – 2019      **St. Therese of Carmel Catholic Church, San Diego, CA**  
*Violinist*
- Performed with choir during mass and holiday celebrations.

## **SKILLS AND CERTIFICATIONS**

- Computer: Proficient with Adobe InDesign, Illustrator, Photoshop, Acrobat, Microsoft Word, Excel, PowerPoint, Outlook
- Rudimentary knowledge of R (programming language)
- Proficiency in Mandarin (speaking)
- AHA Basic Life Support Provider certified
- UCLA Health HIPAA certified
